Dear Regular User

LONGFORD VILLAGE HALL COMMITTEE MEETINGS AND NEW WEBSITE

Longford Village Hall Committee members are writing to you as a long-term regular user of Longford Village Hall to keep you informed. Were you aware that in accordance with the Charter for the Village Hall, you are entitled to attend Village Hall Committee Meetings that are currently held on a monthly basis?

The Village Hall is to be used primarily for the benefit of all of those living in the village, however it also helps support external enquiries from neighbouring communities. The Committee is responsible for the day-to-day running of the Hall and is continuing to find ways to help generate income for its upkeep and to ultimately benefit the community. We would welcome your input and views to help make this a reality and the hall more productive. If you are unable to attend regularly at the very least we would like to be able to send you the minutes of the meetings and request an email address to send them to. In this way you will be able to see what is planned and where your group may be able to assist.

The next key meeting is the Annual General Meeting, that will elect people to Offices, approve the accounts and engage the local community to answer their questions. The Meeting will be held on April 8th at 7:30pm.

We are in the process of creating a new up to date website for the Village Hall (www.lvhfriends.wixsite.com/villagehall) which will have more emphasis on your clubs and events at the Hall in general. In order to better promote your clubs please can we ask that you complete the short form linked on the website to update your details and club timings and return it to the email address above. Please be aware that the information you send will be published on the internet and will therefore be public*.

You will also have the opportunity to consider sending in photographs of your clubs and activities that can be used to help promote your club and the Village Hall in general. If you do not have suitable photos, arrangements can be made for a photographer to come to one or more of your sessions to take some on your behalf. You will have the final veto on the photos that will be uploaded.

In summary, please come along and contribute your opinion in the running of the Village Hall and help us to promote it for the benefit of all.

Yours Sincerely

The Longford Village Hall Committee
